Central Council Members

Dr Sona Pungavkar**Dr Vijay Barve****Dr Harish Chandak****Dr Iqbal Minne**

It gives us immense pleasure to invite you for the forthcoming Dr. Rajendra Rao CME Organised by Indian Radiological and Imaging Association. It is being held on 28th & 29th October 2017 at Rama International Hotel Aurangabad (MS). The CME is being conducted by Indian College of Radiology and Imaging and MSBIRIA.

Main theme of the CME is Women's Imaging. The scientific programme encompasses day to day challenges in non-obstetrics as well as obstetrics. We have invited best suited faculties for respective topics. We expect good number of post-graduate students' participation.

The Historical city of Aurangabad is well known for Ajanta and Ellora caves. The weather of Aurangabad in October is mixed and pleasant. Aurangabad is well connected with rest of India (Road, Rail and Flights)

Looking forward for your active participation in the CME.

Thanking You

Organising Chairmen

Dr Bhupendra Ahuja

Dr Jayaraj Govindaraj

Dr Shailesh Kore
